32nd SUNDAY OF THE YEAR

The Widows' Mite

It is said that there are three types of giver: the grudge giver who says 'I hate to give'; the duty giver who says 'I have to give'; the thanks giver who says 'I want to give'. The widow in today's Gospel, who gave away all that she had, fits comfortably into the third category. Jesus noticed her quiet gesture and presented her to the ages as a pattern of generosity. Her unsung deed teaches us that the amount of the gift never matters so much as its cost to the giver. Real generosity gives until it hurts. Wealth is not determined by what you have accumulated, but by what you will give when a good deed needs to be done. It is the truly generous who are truly wise and it is the hand that gives that gathers. The little widow was wealthy beyond words.
